

Congratulations on joining the millions of people all over the world that transform their lives, health and wealth with our incredible products and unique business opportunity.

Are you ready to get started?

Follow these simple steps to set yourself up for success from *day one*.

1. Set yourself up to Get Paid

Finalize your account so you can start getting paid. Log into your Back Office, then navigate to My Money > Partner.Co Pay™ to submit everything you need to receive your first paycheck.

2. Download the Partner.Co Share™ app

Available on iOS or Android, the Share app houses sales tools, sends important company announcements, lets you track assets you send and more!

3. Start Your Subscription

Subscriptions are the best way to ensure you get the lowest prices, stay commission-qualified and never run out of your favorite products. Manage it on the website or in your Back Office.

4. Create a Smart Link

Simplify the checkout process for your customers with a personalized link that gives you credit for every sale. Create your Smart Link in the Share app or your Back Office and send it to your friends and family for a quick way to boost your sales.

5. Become a Partner.Co Expert

Learn how to maximize your earnings and get the best results from Partner.Co products with a personalized email series and virtual onboarding training series in the Tips section of Partner.Co Share.

6. Follow us on Social Media

Join the online community by following Partner.Co on Facebook and **@partnercoglobal** on Instagram.
